### Double Olympic Legacy for Dominica's Paris 2024 Olympic Swim Team

The Olympic spirit shines brightly as Dominica's young talents, driven by big dreams and Olympic legacies, prepare to make their mark at the Paris 2024 Olympic Games. They are both making their Olympic debut this year and represent the first female and male swimmers to represent Dominica at the Olympics since 2000.

Jasmine Schofield, the daughter of Dominica Olympian Francilia Agar Schofield, recently set a new personal best and National Record in the 50m freestyle at the CCCAN Championships in Mexico. Jasmine has also been awarded a World Aquatics scholarship and will be training at the prestigious Thanyapura Training Center in Thailand starting in September, marking another historic first for Dominica.

Warren Lawrence, who competed at the 2023 World Aquatics Championships in Fukuoka, achieved a personal best and National Record in the 50m freestyle. He follows in the footsteps of his father, Woodrow "Woody" Lawrence, Dominica's first Olympian who competed in the 50m freestyle at the Atlanta 1996 Olympic Games.

These achievements not only honor the legacy of past Dominica Olympians but also inspire a new generation of swimmers, proving that with determination, PanAm Aquatics athletes can shine on the world stage.
